Unwind & relax  
at Sirromet Winery

We look forward to welcoming  
you to Queensland's largest  
& most awarded winery

Enjoy a relaxed atmosphere at our family owned winery situated at picturesque Mount Cotton, just a short drive from Brisbane and the Gold Coast.

Whether you choose to dine at 5-star Lurleen's or on the terrace of the Tuscan, Sirromet's state of the art facilities offer food and wine lovers the ultimate winery experience.

We recommend taking a fully guided tour to see first-hand how our wines are made, followed by a leisurely wine tasting and light lunch in our Cellar Door.

Utilising traditional methods and new technology, our chief winemaker, Adam Chapman and expert team combine their skills to produce premium Granite Belt wines recognised on the world stage. Our 800 prestigious national and international wine awards are testament to our dedication and commitment to bring the best of Queensland to you.

## BUSKERS BY THE CREEK

Copy & Pics: Brian Usher

If you're a music fan, or simply love to be entertained, this year's Buskers by the Creek was a smash hit, proving why they scooped Winner of the 2015 Gold Coast Music Awards, Event of the Year. There were 200 performers to choose from this year, from award-winning performers to talented teens, swing to sword swallowing, banjo to energy shows... Literally a mixed bag of sweet sounds and fabulous entertainment to be enjoyed.

## MEN OF BUSINESS ANNUAL CHARITY LUNCH

Copy & Pics: Brian Usher

This year's MOB – Men of Business – were again 'Paying it Forward' in a quest to raise much needed funds to support their young men's program. Without their very important work as many as 500 young men would continue to fall through the cracks each year on the Gold Coast. Special thanks to guest speaker Spida Everitt and Dan Marino from the Lads Lunch Charity, with proceeds from the Harley-Davidson Motorcycle also going towards 'Paying it Forward' in support of MOB and their important work in our community.
